Projects	Experiences	Core skills

01 / ABOUT

Building with curiosity, learning by doing.

I am Mohammad Bilal Shaikh, a Bachelor of Engineering student in Computer Engineering at Marathwada Mitramandal Institute of Technology, Pune.

My experience includes AI/NLP work, frontend development, and data analytics process automation. I enjoy turning ideas into practical applications and continuously learning new technologies.

LOCATION **Pune, Maharashtra**	DEGREE **B.E. Computer Engineering**
EXPECTED **May 2027**	INTERESTS **AI · Machine Learning · Data Science**

02 / EXPERIENCE

Hands-on experience.

FEB 2026 — MAR 2026

Artificial Intelligence Intern

Codec Technologies India · Remote

- Worked on Natural Language Processing (NLP) tasks as part of the internship project.
- Gained hands-on, industry-relevant experience in AI development.

JAN 2026 — FEB 2026

Frontend Developer

CodeAlpha · Pune District, Maharashtra · Remote

- Built and styled web interfaces using HTML5 and CSS.
- Completed a one-month remote frontend development internship.

OCT 2025 — DEC 2025

Virtual Intern

EduSkills Foundation® · Pune District, Maharashtra · Remote

- Completed a Data Analytics Process Automation virtual internship.
- Strengthened communication and time-management skills through regular tasks and interactions.
- Learned and adapted quickly to new technology and software applications.

03 / PROJECTS

Selected projects.

AI-POWERED QUANTUM COMPUTING PROJECT

01

QuantumInsight

Built an AI-powered quantum circuit intelligence framework that analyzes Qiskit circuits, evaluates circuit health and maintainability, detects anomalies, generates optimization recommendations, and provides quantum debugging and hardware assessment insights.

Quantum Computing | Qiskit | AI/ML | FastAPI | Next.js

THE PROJECT IS UNDER DEVELOPMENT

WEB APPLICATION

02

Personal Finance Tracker

Developed a website to track income and expenses with a systematic management approach for personal finance where user can track his assets and liability .

Web | Finance

Live Demo ↗

NLP · MACHINE LEARNING

03

Spam Email Classifier

Built an NLP-based spam classifier using Multinomial Naive Bayes and CountVectorizer to distinguish spam from ham messages.

Python | Pandas | Scikit-learn | NLP

Live Demo ↗

RECOMMENDER SYSTEM

04

Movie Recommendation System

Created a genre-based movie recommendation system using a dataset and a simple content-filtering approach with Pandas.

Python | Pandas

Live Demo ↗

STREAMLIT · MACHINE LEARNING

05

Student Performance Prediction

Built a Streamlit app that predicts student pass/fail outcomes with confidence scoring, risk levels, categorization, and personalized study plans.

Python | Streamlit | ML

Live Demo ↗

REGRESSION · STREAMLIT

06

Salary Prediction App

Developed an interactive Streamlit application that predicts employee salary from years of experience using Linear Regression.

Python | Pandas | Scikit-learn | Streamlit

Live Demo ↗

IoT-BASED PROJECT

07

Smart Classroom Automation System

Built an IoT-based system that detects classroom motion and automatically turns lights/appliances on or off based on real-time occupancy.

IoT | Automation | Sensors

04 / SKILLS & CERTIFICATIONS

A growing toolkit.

Technical Skills

Python | C++ | SQL | HTML & CSS | Machine Learning | Data Analysis | NLP

Soft Skills

Project Management | Teamwork | Effective Communication | Problem-Solving & Critical Thinking | Adaptability & Learning Agility | Presentation Skills

Certifications

- ↗ Introduction to AI
- ↗ HTML5 and CSS3
- ↗ Web Development
- ↗ AWS Cloud Essentials
- ↗ SQL
- ↗ Introduction to Large Language Models
- ↗ Introduction to AWS Cloud Game Development
- ↗ Introduction to Agentic AI on AWS

05 / EDUCATION

Academic journey.

2023 — 2027

Bachelor of Engineering in Computer Engineering

Marathwada Mitramandal Institute of Technology · Pune, India

First Year **6.84/10** | Second Year **7.54/10** | Third Year **7.90/10**

2021 — 2023

HSC — Science Stream

Poona College Of Arts, Science & Commerce · Maharashtra State Board

53.50%

2011 — 2021

SSC

Pune International School & Jr. College · Maharashtra State Board

69.60%

SPOKEN LANGUAGES

English • Hindi • Marathi
